

What is an Apprenticeship?

An apprenticeship is an exciting and highly respected route into a skilled and rewarding career - perfect if you're keen to get a job and to start work whilst also gaining a qualification.

You will work towards a nationally recognised qualification, while becoming an employee of a forward-thinking company willing to invest time, effort and money into developing young talent and building their careers.

What are the entry requirements?

Typically, 3 good grade GCSE's including Maths and English.

What are the benefits of an apprenticeship?

- Earning a salary
- Training in skills desirable to employers
- Excellent career opportunities
- Gain invaluable experience
- Opportunities to progress your career
- One to one support from your mentor
- Annual paid leave

What will you earn?

You can expect to earn over £11,000 in your first year, plus 25 days annual leave.

How to apply?

It couldn't be simpler to apply for an apprenticeship with the Bri-Stor Group:

Either e-mail an up-to date CV and short cover letter to apprenticeships@bri-stor.co.uk

OR

Visit either bri-stor.co.uk or alphamanufacturing.co.uk and complete a short application form.
